

Take Your Next Steps With T2TUK/KaganUK

Now that you have taken a big first step forward and experienced a T2TUK/KaganUK workshop, make sure your professional development investment pays off by making this initial workshop part of an ongoing process of continual improvement. Take the next steps with T2TUK/KaganUK.

★ Training and Kagan Classroom Coaching

We strongly urge you to complete the Cooperative Learning training and follow up with Kagan Coaching.

Kagan Classroom Coaching will ensure successful implementation of Kagan Structures. Guarantee success by bringing a Kagan Coach to each classroom to observe teachers using Kagan Structures in their lessons. Coaches will diagnose areas of improvement and skilfully work with teachers to “fix” any problems in-the-moment. Small changes can make all the difference. A Kagan coach can support approximately 12-15 teachers in one day!

SLT who attend Kagan workshops with their teachers and observe Kagan Coaches are better able to support their teachers. We highly recommend SLT take part in the training and the coaching.

This Step	→	Your Next Step
One-Day CL Workshop	→	CL Day 2 or Kagan Classroom Coaching
Two-Day CL or Day 2 CL Workshop	→	Kagan Classroom Coaching We strongly recommend no teacher goes beyond the first two days of CL without a visit from a Kagan Coach.
After Two Days of Kagan CL and Coaching	→	Continue with CL Days 3–5, mixing in Classroom Coaching for continued support with implementation. Schedule coaching days as much as possible.
